“ Lem was a beautiful soul who loved her family and friends unconditionally. I am proud to have called her my friend. She fought her medical condition bravely for a very long time. She was a true Christian who loved her Lord. Although I am sorry to lose my friend I am thankful she is no longer suffering.

“ *We will remember Lem for a lot of things--sweet, kind, loving, a true friend. But we shall remember her most for her love for her God and her family. She lived a life that demonstrated this--what more could anyone want to be remembered for. We have memories that we will always treasure, too many to list here. But we have all been blessed that we were a small part of her life. May God bless all of you in this time of loss, but she would want you all to continue with life and live it to it's fullest. She was so, so proud of you all. We are here if you need us or if we can help you in any way. Soar now, Lem, with the angels that you have loved for so long!!*

Our sweet little Lem with a heart of gold will forever be remembered for her love for everyone and her love for life and her love for God. If only we had more of her in this world what a beautiful world we would have. Spread your wings and fly high on the wings of the angels caring you home. May you always rest in peace in the loving arms of Jesus. You will surely be missed by many but in my heart I hold a lot of precious memories I will carry. Until we meet again Ms. Lem. I love you.
