“ To my cousins in Alabama,

We are so very sorry for your loss and understand the pain you are going through. Losing your Mom is so very hard. I'm so thankful that you were having a great day with her and I know she was enjoying every minute laughing and cutting up with her precious children! We love you all so much and we are sorry we can't be there to be with you during this sad time. Sending love from Texas!

“ *Many fond memories of Tina from when my kids were small. Tina had a smile that could light up a room. I can't remember a time when I saw Tina that she didn't have a smile and was always such a great Mom to the kids. Miss you Tina.*
