“ I never met Mr. Arrington, but I knew Michelle. Mr. Arrington must have been a person of integrity and depth. Michelle, I am so sorry for your loss, but I believe the memories you made with your dad will sustain you for the rest of your life.

“ I first met Floyd Arrington, the day my late husband, Prentiss Johnson and I were helping our son move to Nashville to start his first job away from Calhoun County. At that time Van and Michelle were engaged to be married. Soon after meeting Floyd, it was evident he was a man's man, respected and loved by his family and a man of faith and integrity. Through the years, I learned that he was also a very loving and generous man. I am a better person for having known Floyd Arrington!
