“ I met Frank while we were members of Greater Vision Church. I witnessed first hand his love for the Lord, his wonderful wife Joan, and his family. He had a servant's heart and served so many in different capacities. Everyone who knew Frank loved him, my self included. I was honored to be his friend, and I will miss him greatly. He had such a way with the children and was a man of great character. He was a true example of God's love on earth. I feel very blessed to have known him.
