“*Freda Swann was the sweetest, Christian, woman. When Brother Carroll was our pastor at Cold Springs, I can't even count the times she prayed with me when I was going through a divorce. She always said " I won't pray for God to bring him back to you. I will pray everyday for God to bring you what you need." And I truly believe she did pray Every day; and of course God did bring me what I needed. She was a precious woman and I know she's rejoicing with Jesus this morning! So sorry for your loss, Rhonda Praying for God to give you and your family what you need*

“*Caroll and Freda were so good to me when I was a child. I loved them dearly, and my parents (Lydia and Spencer Goodwin), also thought the world of your parents. It could have partly been Freda's gentleness, but my Daddy would always speak of her being beautiful.*
