“ Out of the blue, I sent Zane Hill a text today, Thurs 13th, wishing him a happy New Year and hope the storms in Northern Alabama didn't affect him and his family. Norma replied back and made me aware of his death, visitation and service. I would never have dreamt when I awoke up from falling asleep in the living room before bedtime I would hear of this news. Surprise and Shocking...

Over the years, Zane's family from Texas, an Uncle maybe, and I would travel to Cullman and Smith Lake, to fish with Zane. I am currently sitting 621 miles away, at a drive of 9 hours and 5 mins. Its 12:30 am, 14th. I cannot pull the drive off in less than 3 hours to depart an travel the route, re-plan my Friday Business Schedule, and no one in my business world and family knows of this death. Zane is the only person in the World that I know could be gone in a flash or always seemed to be going or coming at times. One of a kind...
