“ I met Fulton as a young man and I found out his quality immediately. He and Sarah looked at me as one of their own. Whenever I think of a father figure, now and in the future, I think of Fulton.

“ Thinking of Fulton makes me smile. For the first 4 months of my career at GM Fulton I rode with Fulton. That was almost 50 years ago and I was just a kid! We never had a dull moment. He was always so happy and laughing, such a joy to be around. Fulton definitely made the world a better place!
