“ *I was just a teen when I met Pastor Gary, at his Brother Micheal Milligans Church of God in Logan. And the resemblance between the two was amazing. And yet the shared the same love of God, and the same witty personality, the same type of smile and the words of God abiding deep within them yet at a seconds request have it flowing like a river of pure water. You and your brother changed not only my life but thw life of my whole family and astor Gary may you rest in eternal rejoicing. First Lady Sylvia I'm sorry for you loss may your family remain as strong as it was now and forever more to come til we see him again we love you. The Casimiro Family (Hillary)*

“ I remember coming to Gary and asking for prayer for a new job. We were at our annual family reunion, this time we were at Natchez Trace State Park. I told Gary that Paul and I needed to be on the same shift and I needed a change. I was unhappy where I was working, so Gary said LET'S PRAY!

In 2 weeks, God sent me a new job! I now have been at Labcorb for 13'years.

We are gonna miss his smiling face,hugs and his singing.

We love you Sylvia.

Love,
