“ Gerald meant so much to me. I don't have much family and he always treated me like a sister. He would always say "Well we are sister and brother in Christ". When we worked together I could talk to him about anything and he always gave me good advice. He prayed for me during difficult times in my life and always encourage me. I loved Gerald as if he was my brother and I will miss him sending me text encouraging me and asking how I am doing. I will be praying for his girls and family. Jodie Freeman
