“ I have had the pleasure of working with Chelsea which is Jeri's Granddaughter at Veritas Energy, LLC. I wasn't able to ever meet Jeri but I have meet her son and daughter-in-law who are Chelsea's parents and you must have been a wonderful Mother because your family is amazing.. I just wish I could have met you. I grew to love you thru them. I know your family and friends will miss you but now you are a new angel in heaven with God. Praying for your family and friends,
