“ *The last time I visited with Aunt Glenda, I was with my daughter and gt-granddaughters. Aunt Glenda got such a thrill at seeing the twins, she took them over to cheer up a neighbor and also to visit with the other seniors living near her. During our stay she told so many family stories that I didn't get recorded. She pulled out pictures and they all had a story. Some of the stories I have forgotten or who was that in the picture. This is one of many memories I hope not to lose.*
