“ Grace and I met 9 years ago and worked together at TJ Maxx. We enjoyed talking about our families and our walk with Jesus. She missed her husband a lot. She was someone I trusted and enjoyed spending time with. I know where she is and that she is happily reunited with those she loves. I will miss her. RIP my friend, Grace!

“ Marie and I were co workers at Belks years ago. She was so much fun to be around. One of those people that you made you feel like you had been friends forever. She loved her children and grandchildren and she spoke often of them. My thoughts and prayers are with you.
