“ Harry was my friend. We seldom saw each other after being high school graduates together @FHS in 1962 . I have a good memory from many years ago! I remember being on top of a church building in Kansas with Harry. It was over 100 degrees and we were roofing partners! We were with a group of folks from East Cullman Baptist Assn. on mission trip! My husband, Van, was a bldg project leader. Jackie was on kitchen duty! Good times!
Jackie, you and and your family have my prayers! I did not know until I read this!💕

Julie:

My thoughts and prayers are with you and your family. I never met your father, but if I had, I would have thanked him for making the world a better place by bringing you into it.

He surely was a good father.

Peace-
