“*Harriett was a very dear friend of mine. I met Harriett at Liberty National Insurance where we both were employed. We began riding together selling Insurance and taking care of our customers insurance. She was so much fun to be around and we had so much in common from having the same amount of siblings and both of us liked working around cars. Harriett taught me how to do upholstery at her Mother In Laws business “Bama Auto” we had so much fun working there. We spent a lot of time talking about our lives and laughing together. Harriett was one of a kind friend she was honest and straight foreword. Joshua and my son played together while we worked and it meant a lot to Harriett to have someone for him to play with where she didn’t have to worry about him being safe. She loved her two sons and that was what she talked about the most. Guys I want y’all to know she really loved you both and she hated the thought of leaving you two but she was strong in faith and she knows she will see you again in Heaven. I will miss her greatly but I have so many memories of our time together and for that I am grateful. God Bless her family my prayers are with you. Donna Langley*
