“ Even though Aunt Hazel and I lived far away and didn't get to see each other often I enjoyed letters she would write me in her Christmas Cards. She as far as I know was my only Aunt who took time to write me a letter. She set an example of taking time for family and was an encouragement to me. She will always have a special place in my heart. Prayers and thoughts to all of the family and friends...for comfort and encouragement . Love, Christy (Wellman) Kuhn
