“ Jackie would take us teenagers out camping and fishing. We had a lot of fun and learned a lot about the outdoors and cooking what we caught. Jackie is greatly missed and he was definitely one of the good guys.

“ I remember as a child always going trick-or-treating at Jackie's house. He could scare you before you knew it!! He was a great asset to the community and will be greatly missed.

“ Jackie was a good friend and always available when needed. He was generous with both his time and his money. He gave the Sunshine club a donation every year to help with their benevolent committee. He was always first to arrive on Saturday and Sunday when decoration was being held at Berlin Cemetery. He will be greatly missed by me and my family
