“ I met Ms. Jacqueline at the nursing home. I work in the kitchen and would go by and do temps for her refrigerator. She was always dressed and had that make- up on. We would talk about various things from our childhood and struch up many conversations about a lot of things . She was so very interesting to talk to. She will be missed not only by ger family and friends but everybody that knew her that works at the nursing home. Thank you for letting us know her and for family and friends to have enjoyed the life she shared with everybody here. She is such a beautiful soul and know she is at peace .

“ My condolences to all of the family. Mrs. Willoughby was a very special person. We enjoyed each other's company. I always looked forward to helping her get ready for bed and our lively conversations about the state of the world or Alabama football. She always enjoyed a good tomato sandwich, fresh peaches or tomato and bologna sandwiches. Harmony Hill will not be the same without her. May God shine His eternal light upon her and may she rest in peace. Missing her already, Anita Beckwith

“ *IT was sad to her that she passed. she was a pretty and spicy lady. I would go by her room and tell her; she was the best dressed here at HNRCENTER. she kept herself up. I was so glad that I got to meet her, she has a quick wit and when she said something she meant it. We will all missed her. Family, please know we are thinking of you all during this time. when you feel the saddest, please remember a funny or great time with her. Our prayers are that God gives you peace and strength during this time. Keep her alive by telling stories about her to the younger generation of the family. To say Goodbye is very soon to say hello. Thank you for sharing her with us.*
