“ James is my big Brother. When I got married at 18 and moved out of state he would show up once a month unannounced at my house for a couple of years. My Mother told me later that James was having nightmares that my husband was beating me n locking me in the closet starving me(he wasn't) and showing up unannounced was his way of surprise checking on me. He was a good brother. I will Love and Miss You Forever James A! Your Loving Siter Pam Stults
