“ My husband and I met Phil and Janice right after they married. They were going on their honeymoon, on a cruise, and we were going for our second cruise. There was an immediate bond that developed between us. I believe it was because of our mutual love for our Lord and Saviour, Jesus Christ. We stayed in contact over the years. When were in the area, we would either come to visit them or they would come where we were and we would visit. God placed us together and I thank God for her friendship. She was my "sister" and I look forward to seeing her again one day! Fly high, Dear Friend.
