“ I am saddened and heartbroken about Jason's passing. When we were kids Aunt Bootsie and Uncle Buck's was my second home. Kathy and I were almost inseparable even though I lived in Georgia. There are so many fond memories of the good times we all had. My love and prayers go out to his family. Kathy, Butch, and Ame, I love y'all and cherish the memories.

“ I married Jason's sister Kathy Mahler and some of my memories of Jason are that like his daddy "Buck", Jason was a mechanical wiz! He almost knew intuitively what was wrong with an engine just listening to it! He didn't just talk about it he would fix it! He was also crazy on a motorcycle! He once brought his Honda 450 dirt bike for me to ride. He was across the road doing wheelies and riding like a pro, then he let me ride it. I fancied myself a pretty good rider, but he had "done some work on it"... It scared me to death! I brought it back before I hurt myself! He just chuckled!

*This is such sad news and it breaks my heart. As a kid Uncle Buck (my dad's brother) and Aunt Bootsie's house was my second home. Kathy and I were nearly inseparable even though I lived in Georgia. There are so many happy memories. My prayers go out to his family and to his siblings. I love y'all.*
