“ I don't think Jennifer ever knew how many people loved her. She knows now. Love you, Jenni! If a person can be adopted twice, I'd be a Nelson. Love you ALL

“ *She was the Best older sister I could have ever asked for. She was always on my side. She always showed me that despite my multiple mistakes that I was worth loving. She is always in my heart. The world is colder without you and if i could tell you anything it would be that don't take the time you have with family for granted. You are missed and loved.*
