“ Jerry was such a great guy, lots of fun to be around, he was part of our ISS family and a very dear member of that family to all of us. So many good times shared at Boeing and at gatherings outside work as well. Just recently lost my Love Jimmy Jester and missed seeing Jerry at that visitation but now they can visit all they want. Too many gone too soon lately. Rest in peace Jerry, you will be missed. Tracy Riddle

“ Jerry was so fun to be around, alway handing out a hug or a big smile 😊!!! He loved his Alabama team but I think he loved to dance more. He was always up to dance with all the ladies or was content to dance alone. He loved his girls and family deeply!! We have lost a great friend and an Elk Brother. Dance on my friend, you will be missed terribly. “To Our Absent Member.” Dale Ball
