“ I spent time with Deb at her parents home in Florida some years back. Her parents made me feel so "at home" I was even treated to one of Jess's famous fish fries. I had to laugh because he had to fry it up in the garage because no one wanted the house to smell like fish!! Linda Muirhead xoxo

Deb, so sorry to hear of your father's passing. You had told me how sick he was and you had been spending more time with him and your mother. You won't regret this time, you will have wonderful memories and all the laughter. Will be thinking of you and your family! Prayers to all of you during this difficult time. Bill & Phyllis Wolters
