I am so sorry for you and your families' loss. As a younger cousin of Jesse's I remember when he came back one time from the service with a new (if I recall correctly green GTO) car that he was very proud of. I also remember when he first brought Wanda home. So much in love as I recall.

My most sincere condolences! Jesse and I grew up together in Lewis, Kansas! We rode our bikes all over town in our younger years and started and finished school first grade through senior class together! I have many fond memories of our times together! Jesse makes five out of seventeen classmates that have passed but will never be forgotten! Jesse, Gary, Dennis and I all left for the Navy at about the same time in 66 and went our separate ways but we always tried to keep in contact! I will always remember his laugh, his smile and his face! I especially will not forget us trying to find .out the Jr/Sr prom plans when we raided the party! Such a time! Only one of many! May he Rest In Peace and the family remember him well!! Me and Brenda send our sincere wishes that you all have fond memories of Jesse and know he is where he should be now!!
