“ *John was a fine fellow. He was smart and handsome. Instead of capitalizing on his good looks, he instead studied and earned a degree in electrical engineering. To those he befriended, he was a true friend. He was a devoted son, husband and father. He rose in the leadership of the Rolls-Royce Owners Club first as a regional chairman and later was elected President of the Rolls-Royce Foundation. His 1990 Corniche won numerous awards. At his request, his casket was affixed with the Spirit of Ecstasy Emblem.*
