“ Anthony was my co-worker when we were in our twenties. He became my dear friend and the only thing bigger about Anthony than his stature was his tender, kind heart. I pray your life was filled with much love and the great kindnesses that you deserved. I hope your beautiful daughters' find great comfort in knowing how they were the joy of your life.

Go with God Anthony till I see my sweet friend again.

“ We would like to pass on to the Crawford family our deepest sympathy for the loss of your beloved Anthony. We share in your loss as Anthony was a dear friend of ours. We particularly enjoyed the occasions that Anthony would come out to help Don with odd jobs. They greatly enjoyed the comradeship and took frequent breaks to sit on the front deck and look out over the lake.

Anthony was the happiest when he was talking about his daughters who were his pride and joy. He was so proud of them and loved them very deeply. We remember when he was concerned about Katelyn's wedding. However, since he trusted and respected his future son in-law so much he figured everything else would work itself out.

Another time he was very concerned about was when Kelsey went to New York City for an internship. He was so relieved when she returned earlier than anticipated.

We still laugh about the lunch when Anthony explained in graphic detail how he cut his own hair and the amazing thing was that his hair always looked great.

If there is anything we can do to help the family please let us know.

May God bless you all.
