“ Connor was known to tell all of his family and extended family "I love you" every time we departed from family gatherings. What a role model for all those who knew him, especially Annelyn and Evan. Our Gatlinburg vacations, the boys target shooting in the yard, and hugs from Connor will forever be remembered. Heaven gained a Saint and we love you so much!!!!

“ I am remembering the wonderful, bright-eyed, happy little Connor that I was privileged to teach in first grade at CCPS. He was so eager to learn and always had great ideas to share with the class and me! He made each day a better day just because he was there! I imagine he is doing the same thing in Heaven right now as he continues to serve God! I pray for peace and strength for his wonderful family until they see him again.

“ I had the extreme pleasure of being Connor's physics teacher. He was a bright young man, dedicated most to the one thing that matters, his relationship with Christ. I am honored that God put him in my life for a brief moment. I pray for peace for the family. I take comfort in the thought of him celebrating around the throne. I look forward to the day I see him again. 1 Thessalonians 4:13-18

“ My heart has broken but I will always remember John as "Capt. Mayo". He was such a caring young man, dedicated to the values of scouting, and an inspiration to so many scouts and scouters. Heaven gained a workhorse but we lost a friend.
