“ I hate that Johnny didn't get to enjoy his retirement. I feel so bad for his family. He was a good husband and father. He worked hard to provide for them. I'll miss the vertically challenged guy. Great loss for the Coop family. It is a life lesson for all of us who have retired and are thinking about retirement. No day is guaranteed. Enjoy the day because you might not get another one. With our deepest sympathies and prayers, Jim & Ginger Lashley
