“ I remember the first time that Josh and his family came to my Spiritual Growth Sunday school class. I can still see the eagerness in his eyes to learn and even how he sat on the edge of the seat as if to ensure that he didn't miss a drop of what I had to say. I enjoyed getting to know him and I only wished that we had more time. Patti and Haley I love you and I am here .. I know that right now you don't understand but let the peace of guide you on this Journey of Faith. Peace to you !
