“Joyce was a very special person who radiated her love for those she loved. She will always hold a special place in my heart and many fond memories of times spent together with her family. Just found out of her passing and am sure heaven is complete for Oakland and Reggie. She and Oakland allowed me into their family and for that I will be eternally grateful. My condolences to all her family and friends and I am positive heaven is a better place since she has arrived. What a special LADY she was. I will miss her and offer my love to all her family. I thank Larry for giving me the opportunity to have the fond memories of the Wood family and send my love to all.
