“ Judy and I spent several years together at 7th Street Baptist Church where she was very active. She moved away and then in recent years we worked at the same place (Cullman Family Practice) and it was such a pleasure to get to see her often again. I am shocked to hear of her passing and extend my love, sympathy and prayers to her family at this time. Knowing her was a blessing.

“ My favorite aunt from childhood, JuJu! She spent quality time with us and took us on many fun adventures. You never saw anything better than when she got really tickled at something! So glad we got to see her last week and see a woman truly at peace with God's will! David, Debbie, Drew and families, sending love your way!

“ What wonderful childhood memories I have of times spent with "JuJu". My earliest memory is of her buying me a new doll after my dog destroyed the one I had. She always made time for us and always had an adventure planned. I am so sorry that I cannot make the memorial service, but David, Debbie and Drew, I will be with you in thought and spirit. I Love you all!!!
