Tribute Wall

JL

“ *She was beautiful both inside and out. She knew how to make others laugh. She was always loving and caring. I loved her and will miss her dearly as will everyone else that knew her. We may have lost our earthly angel but I know without a doubt that heaven gained her. She is laughing and loving from above with a few other wonderful, Godly women that I had the privilege of knowing for a short time on this earth! - Jennifer*
