JK

“ I can remember when Karen graduated. She had missed detention one time and her diploma was not signed. We were kidding her in front of Hoyt who had no idea but the girls at the farm had a good chuckle. She will be missed by anybody who knew her. She used to babysit my kids and they both just fell in love with her. So sorry to hear she has passed away.

“ *This so breaks my heart. I first knew Karen when she was about 8 years old. Ran into her just a few months ago. We were both picking up grandkids. She knew me but had to tell me who she was even though she was very familiar. Was so glad to get to see her after all this time. We were going to get together and catch up. I'm so sorry we lost that chance. Lesson learned. RIP my long time friend.....Janet Simmons Smith*
