“ *Kasi, it is hard to believe that you are gone. You will be missed more than you realize. It is hard to let you go and know you won't be coming over anymore. I remember the last time you were here, you put your arms out and said "Grandma, I love you. I love you too just like I told you then. I miss you already and you have only been gone a few days. The family will miss you especially Quade. He was your buddy. I love you and you will be missed terribly. Bye for now.

“ *Prayers for Dianne, Quade and Luke as you travel through this sad journey. Kasi has left behind so many that loved her, but no one loved her like the three of you. She will always be with you in spirit and watching over you as you continue on your journey. This is a sad time but always remember the good times and smile at the memories she gave each of you. My love to each of you, Debbie Menz*
