“ *I first want to express my love and gratitude for all the prayers and donations that were given for my baby girl, any donations are being put on her funeral. I'm sorry if I can't talk to many people now and in days to come, just know I am with family, but I am very much struggling with just being right now, as a Mom I had to make the most loving but also the worst decision I have ever had to make in my entire life. I love you all and thank you again.*
