My sweet beautiful friend. I miss you so much it hurts. I keep seeing your face light up when you walked into heaven toward Jesus. It helps take away the painful memories of holding your hand during your last days with me in this temporary home. I miss our laughs and our glasses of wine on the back porch. I miss you everyday, so does Jon, Bear and Harry. Oh, how we laughed. Oh the stories we share. I will never ever forget you. You are in my heart forever.
