“ I have great memories of Keith and the Dover family when Keith played the drums and Deborah played the piano with The Commandments. It was great as preteen being a little sister to Keith and his siblings. I always loved to see Keith laugh - he laughed from head to toe. Such sweet memories.

I pray for peace and comfort to all of Keith's family.

“ A man of few words at least when lots of people were around he was a good man and loved his family dearly, especially his grand children. We loved him like a son. We will miss you a lot, Keith but we will see you again one day. No more pain, no more diseases and able to breathe easily. Our love and prayers will be with your family. Good bye our friend and son-in-law. We love you, Grammy and Pop.
