“ *Kency, you were always the sweetest person and accepted everyone with open arms. You were so quick to help anyone. You were the backbone to your family and the apple to your childrens' eyes. I hope that you are in peace and pain free in heaven. I pray that your children and mother are given strength on their weakest days. I pray for everyone to have closure. Until I see you again my beautiful friend I will forever miss you. Your smile, your contagious laugh!!!! The world didn't have enough people like you and now we are one less. Kencz my heart breaks! I will forever love and miss you!*
