“ My memory of Kenneth comes from knowing him in SCV Camp Thomas Jefferson Denney # 1442. I'm a new resident of Cullman County, but Ken always made me feel as if I had lived here all my life. He was such a mainstay in our Camp. He quietly made sure things got done. Ken will be dearly missed. We may find others to pick up some of things he did for our Camp, but he will never be replaced.

“ Kennth, was a cuz of mine, but most of all he was a good friend. We had some great times growing up. I love him and I will miss him dearly. I know he's in heaven and we will see each other again.

“ Many of you knew Ken as Mr. Mayor, Neighbor, friend, family. I knew Ken as the most complete, trusted and professional Senior Enlisted Advisor with whom I ever was privileged to serve. He confidently led a unit that conducted Congressionally-mandated critical national security inspection throughout the Former Soviet Union, Eastern Europe and Warsaw Pact. Ken understood our mission to ensure the safety and security of Nuclear, Biological, Chemical, and Conventional arms was diplomatically sensitive and a foundation to US foreign policy throughout the region. He set the example, and highest of standards for everyone in the unit: Marine, Soldier, Airman, and Sailor. Impeccably uniformed, poised in speech and stature, Ken took charge and responsibility. Always accountable and always quick to praise and share the unit’s many accolades. His leadership made everyone better! Unquestionably a standard setter and enforcer that made the world a safer place during a complicated and volatile time. God has called home a great leader for his Army. As long as I breathe, MSG Ken Kilgo leadership legacy will breathe with me! Miss you SEA! Colonel Rick “Dawg” Greene
