“ There are so many memories with Uncle Kenneth I don't even know which one to pick! He was always there with advice or to tell me when I was acting like a brat. He loved all of us nieces and nephews like we were his own children and growing up without him would have been a lot less hilarious. Uncle Kenneth was always full of jokes to make you (and himself) get a good laugh. If you were ever the butt of the joke, he'd hug you and say "I was just kidding, girl. You know I love you!" And I did. Always. I never once had to doubt uncle Kenneth's love. He meant it with every part of him and his eyes showed it. I didn't spend as much time with him as I wish I could have, but there was never a time I showed up and wasn't welcomed in with open arms ❤️ I'll never forget his laugh and his stories. I'm so grateful for all the memories I shared with him. And forever grateful for the love and understanding he ALWAYS showed me no matter how much of a black sheep I was 😂
