“ *Kipp and Tammy are the people chosen to raise my son, they were chosen because they were the perfect for the task. Kipp and I had been friends since high school, we became brothers years later, looking back? The very best friend anyone could have, he, and Tammy, were as much parents to my son as anyone. Tammy, my heart is broken beyond repair, I am so sorry I can't get there in time to say a proper goodbye, I love you both and I am so very sorry for your loss, I cannot imagine what your are feeling right now, no one can. Tell Kipp, "I will miss you my friend and I love you."* ”
