“ Mike and Susan, I just want to express again my sincere condolences for the loss of Kristopher. I know your world has just been turned upside down. My heart just breaks for your whole family. There are no words to adequately express my sorrow for your loss. Please know you will be in my thoughts and prayers for many, many days to come...prayers for comfort that only our Lord can provide. May God bless you and comfort you in these days ahead as you try to navigate each day. I pray the emptiness in your heart will be filled with wonderful memories.
