“ We were neighbors with the Galin family in the late '50's and early '60's. Loved the entire family, wonderful folks. My fondest memory of Larry was the day my brother was hit by a car while walking home from elementary school. He was there almost instantly, was very supportive, and stayed with my brother while I ran to a phone to get help. His patience and kindness will always be in my heart. Prayer for comfort and peace in his loss.
