“ I just now found out about this and am so sorry I couldn't find him in time. I spent so much time looking for him on the internet but did not know his last name was different from the rest of the families. but i have many many pics of him when he was younger and in love with my sister.He has a 41 year old daughter who gave him 5 grand kids and 1 great grandson. Again, I am so very sorry for your loss.
