“ To know Laura was to love her. We met and talked several times while she was in BSG. When she went to be with her children we kinda drifted apart. She was a sweet, friendly, loving soul. I will remember her always and will treasure our friendship. We lost our daughter-in-law one day earlier than Laura. They were in the hospital at the same time and their conditions seemed the same. Both are now resting in peace with Jesus.

“ Laura was such a sweet soul. She worked at LPH with my daughter, Wendi and it was such a pleasure to see her smiling face and we always loved seeing each other and talking. She will be missed but is now healed and happy. Rest In Peace sweet Laura.

“ We grew up together and had so many good times, I hadn't seen her much once she moved from Virginia. I missed her so when she left Virginia. I am praying for her family. Loved her so and remembering the good times and laughs we had.
