“ So sorry to hear about Lee's passing. I remember wonderful childhood memories playing with him and ALL his siblings in the house in Elkton. Harry and Lillie had so much love for all of them and after reading about Lee it seems he had carried on the tradition of children in the home. My thoughts and prayers are with all of you.

“ What nice times we had at the Claussen house in Elkton. It doesn't seem that we are this grown up. I am sure Lee will be missed by children and grandchildren alike.
