“ I have very fond memories of Aunt Lila. She had a bright smile that always reminded me of sunshine. When I was a young girl, she used to tell me my hair looked like a shiny new penny. I also remember her white Christmas tree and how amazed I was the first time I ever saw it! I also remember her love of gardening. Debbie, Cindy, and Mark..I am thinking of you and praying for God's comfort.

I'm one of her nephews and our talks of gardening and laughter over the last couple of years have been priceless. Now that she's watching over me, my yard has never looked better. I miss you and our talks, so much, Lila! I told you I was growing pineapple in Houston :)
