“ *One of the sweetest and most beautiful humans one could ever know, may God hold her for all of us. She deserved more than this life gave, good-by Linda.*

“ *Linda and I knew each other decades ago back in our Atlanta days, when Renee and my daughter Shawn were wee ones. I have been trying to locate her, lost her old phone #s, Last we spoke I believe she was living in Young Harris. I haven't seen Renee, Jeremy or Jodi since they were young. My deepest sympathies go out to all three - she loved you guys so much. Your mom and I had a lot of laughs, she had a great sense of humor. Still think of those days when we were young. May God rest her soul. Prayers go out to the family. - Kyle Hetherington / Los Angeles, CA / kch@earthlink.net*

“ *I took care of Linda for a long time. I retired and she was sad about that but she got on to me for not being retired before now. She said you need to be retired and enjoying Your family and grandkids. I missed her when I left .I am so sorry for your loss but she loved her kids. You will be in my prayers for all of you kids and for her dad and sister Paula Jones.*
