# Tribute Wall

LS

“ You used to wake me up for school every morning and have breakfast waiting for me, you use to rub my tummy when I was sick, you held my hand and wiped my tears away when I was heartbroken and made it look effortless. I miss you so much! You were more than my great-grandmother...you raised me..you were a friend..you were a mother to me and I love you beyond measure. I carry you in my heart always.-Latasha Sellers
