“ If I could choose who may neighbors would be from the world population, it would be John and Luann Marshall. Here's one of the many acts of kindness from Mrs Luann. After the March, 2012 tornado we all had the dubious honor of repairing / rebuilding. I'd been lining up contractors, chewing others out, inspecting their work, directing big trucks in and out trying to keep them off my water line, ect. Mrs Luann, seeing we were kind of stressed, brought over a big bag of Whitt's barbecue and gave it to us. While we all love barbeque, it just tasted that much sweeter because of her kindness. That's just one of many, many examples. Luann will be missed but never forgotten. Her memory will live on in the hearts of my sons, for whom she was a most excellent role model.

“ From the bottom of my heart, my condolences to John and family. How I will miss her. Luann is a woman of incredible integrity and this world is a little less good without her. I look forward to seeing her again.
